

The image displays a 10x3 grid of 30 handwritten 'Y' characters, arranged in 10 rows and 3 columns. Each row contains two lines of the character, and each column shows a different stage of its development from left to right. The characters are drawn with dashed lines on a black background. The progression is as follows:

- Column 1:** Shows the initial vertical stroke and the start of the upper loop.
- Column 2:** Shows the upper loop closing and the start of the lower loop.
- Column 3:** Shows the lower loop closing and the final vertical stroke.

The characters are arranged in 10 rows, with each row containing two lines of the character. The progression is as follows:

- Row 1:** Shows the initial vertical stroke and the start of the upper loop.
- Row 2:** Shows the upper loop closing and the start of the lower loop.
- Row 3:** Shows the lower loop closing and the final vertical stroke.
- Row 4:** Shows the initial vertical stroke and the start of the upper loop.
- Row 5:** Shows the upper loop closing and the start of the lower loop.
- Row 6:** Shows the lower loop closing and the final vertical stroke.
- Row 7:** Shows the initial vertical stroke and the start of the upper loop.
- Row 8:** Shows the upper loop closing and the start of the lower loop.
- Row 9:** Shows the lower loop closing and the final vertical stroke.
- Row 10:** Shows the initial vertical stroke and the start of the upper loop.
